Peli Preschool Supply List

2019-2020 4K Class

- ❑ **PRANGE watercolors** (You can usually find this brand at any store. We use this because the colors are brighter. If you can't find Prange, please buy what is available.)
- ❑ **Crayola Washable markers** - 1 Set (8 pack - any colors)
- ❑ **1" binder with plastic see-thru pocket on cover and approx. 20 plastic pocket sheets to fit inside binder**
- ❑ **Backpack**
- ❑ **1 small package of white Model Magic** - can be found in craft section
- ❑ **An individual picture of your child.** This picture will be used as a learning tool and will not be returned.
- ❑ **1 Crib sheet and small pillow, blanket.** Please put names on each one. Also, please limit the items your child brings for nap such as additional blankets, animals, etc. The more they have, the more distracted they get during nap time.
- ❑ **Socks and tennis shoes.** Our playground has tiny rocks and tennis shoes prevent the children from having to stop every couple of minutes to get rocks out of their shoes.

Please bring in a family picture with all family names listed on the back with you on Orientation night. The picture will be posted on our Peli Family bulletin board and may be touched by many fingers, so please don't bring in an expensive family portrait - a candid photo would be great!

Thank you,
Miss Paige
